## Pastor Portal

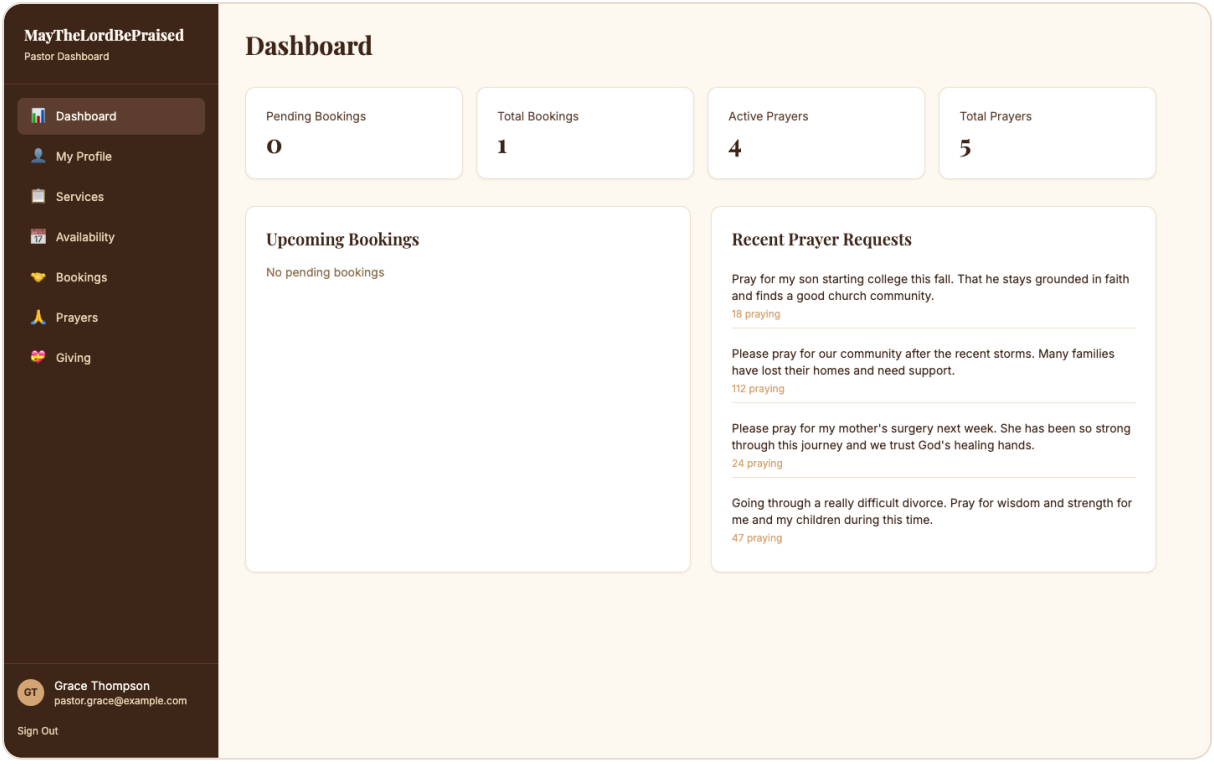
The all-in-one platform to manage your ministry, serve your congregation, and grow your church — so you can focus on what matters most.

For Pastors & Ministry Leaders

# Your Ministry Command Center

Everything you need to manage your pastoral ministry in one place.

MayTheLordBePraised gives pastors and ministry leaders a dedicated platform to manage every aspect of their pastoral care. From booking counseling sessions to responding to prayer requests, tracking donations to managing your availability — it's all here.



*Your personalized dashboard — see pending bookings, active prayers, and key stats at a glance.*

# Built for Pastoral Ministry

Powerful tools designed specifically for the unique needs of church leadership.

### Booking Management

Let followers book counseling sessions, ceremonies, and visits online. Set your availability, manage your calendar, and confirm appointments.

### Prayer Wall

Receive and respond to prayer requests from your community. Track answered prayers, share encouragement, and shepherd your flock.

### Secure Giving

Accept tithes, offerings, and donations securely through Stripe. Track giving history, view donation summaries, and generate reports.

### Service Catalog

Define your services — counseling, ceremonies, home visits. Set pricing, duration, and availability for each offering.

### Pastor Profile

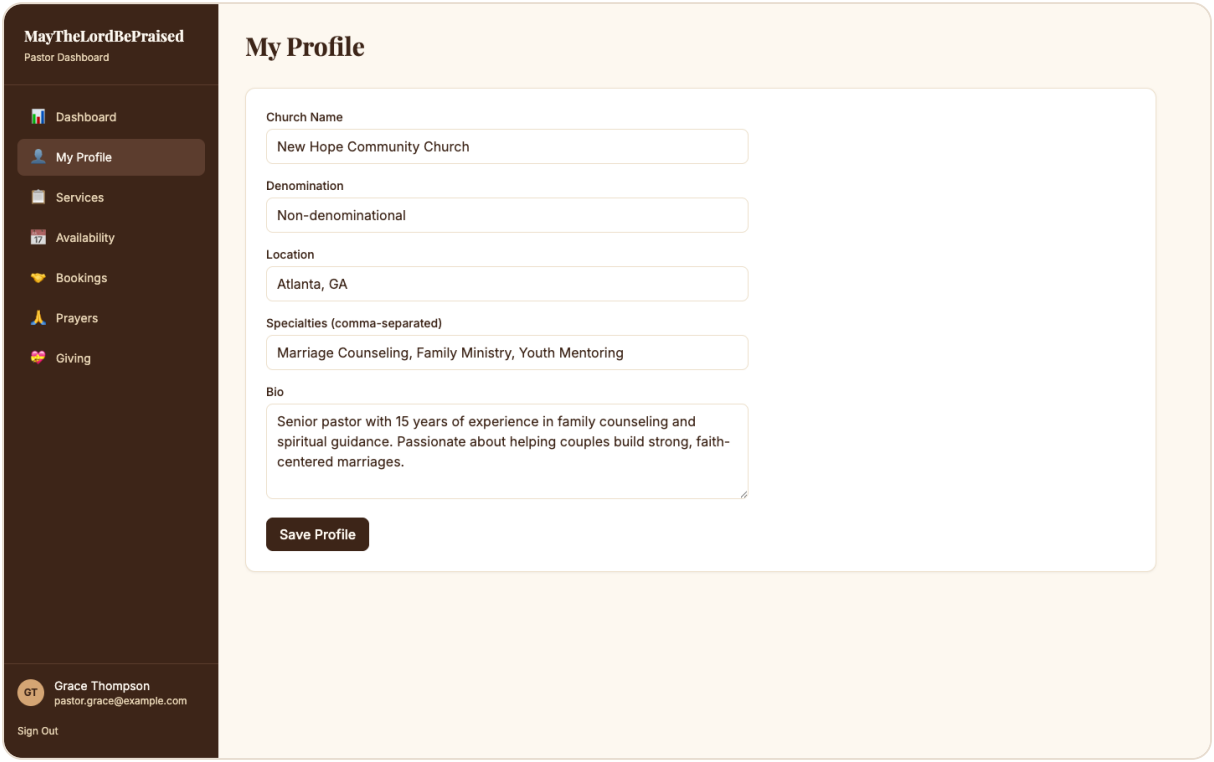
Showcase your background, denomination, specialties, and church. Help followers find the right spiritual match for their needs.

### Community Tools

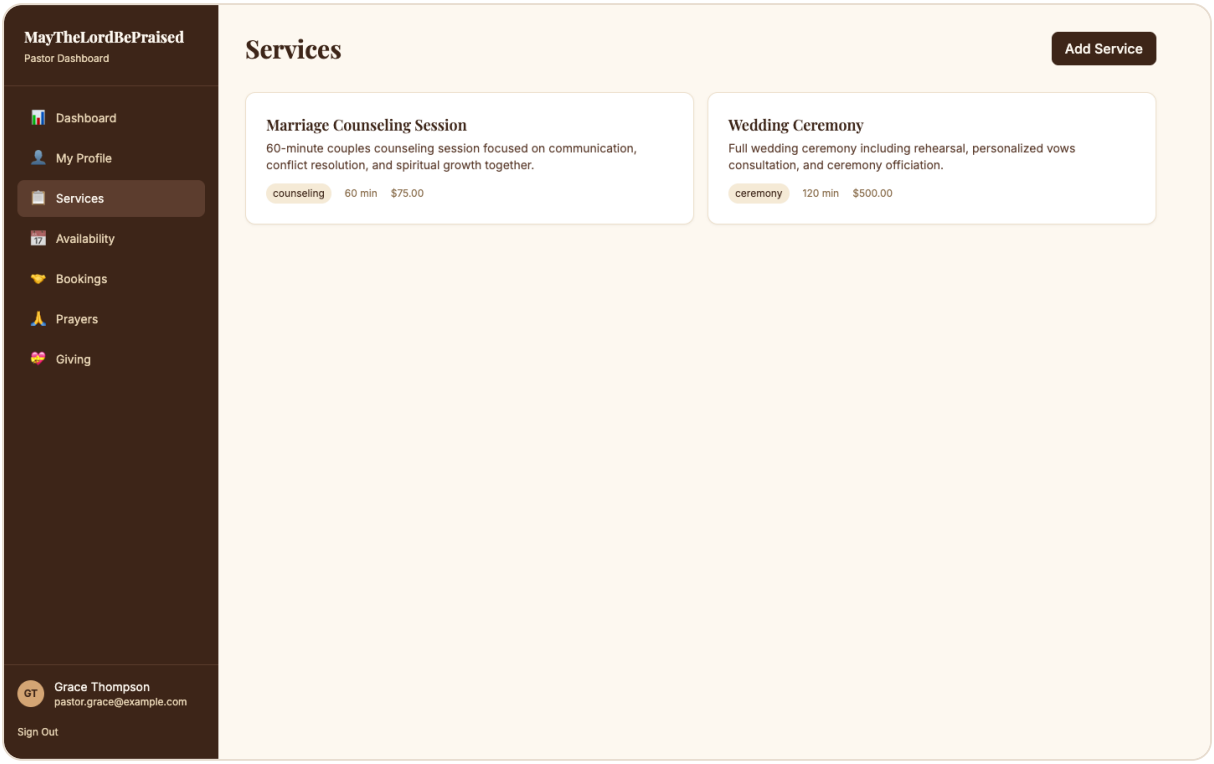
Build deeper connections with your congregation through groups, events, and shared devotionals. Strengthen your church community.

# Profile & Services

Present yourself professionally and define the services you offer.



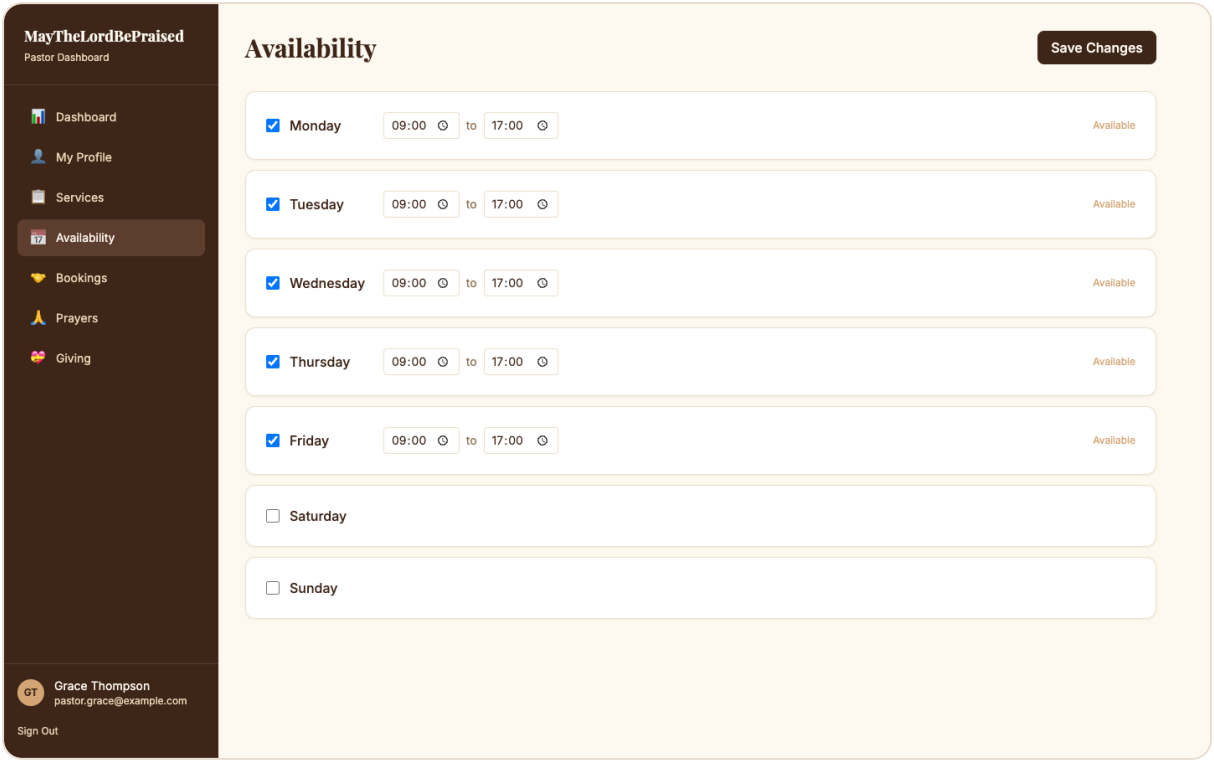
*Manage your pastor profile — church name, denomination, location, specialties, and bio.*



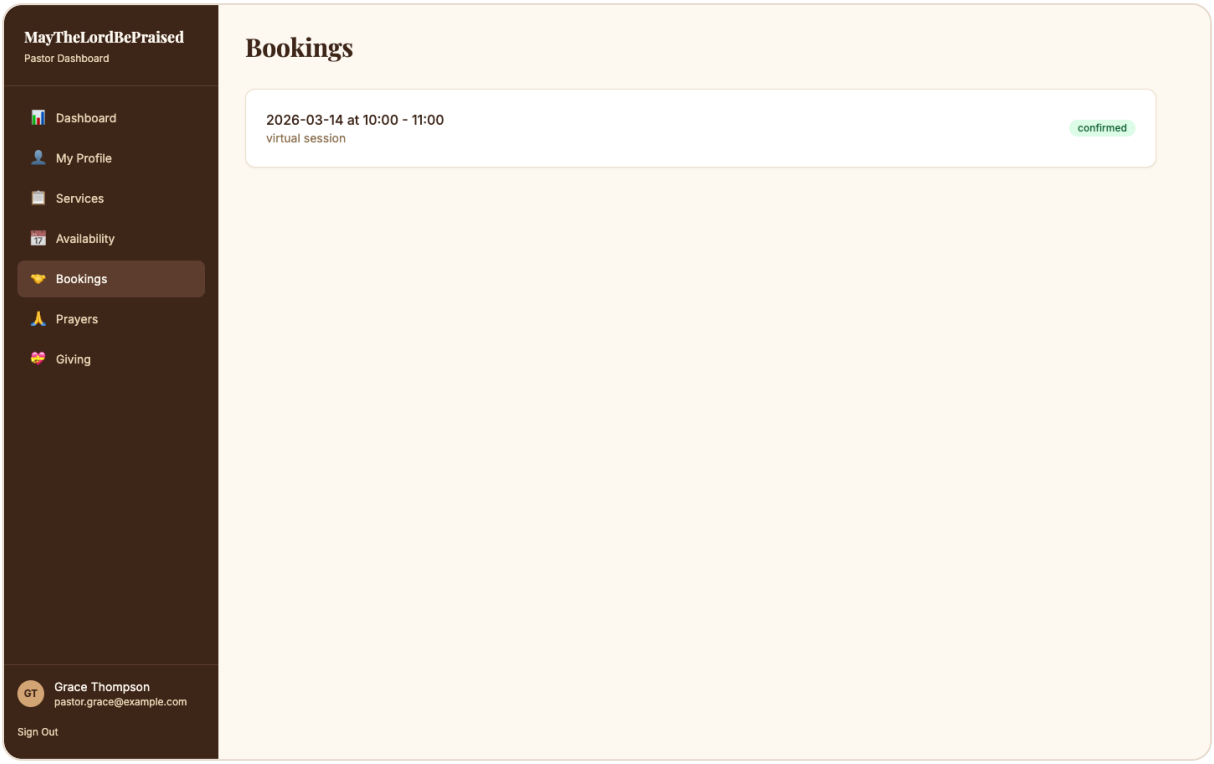
*Define your services with pricing, duration, and category. Followers can book directly.*

# Availability & Bookings

Control your schedule and manage appointment requests.



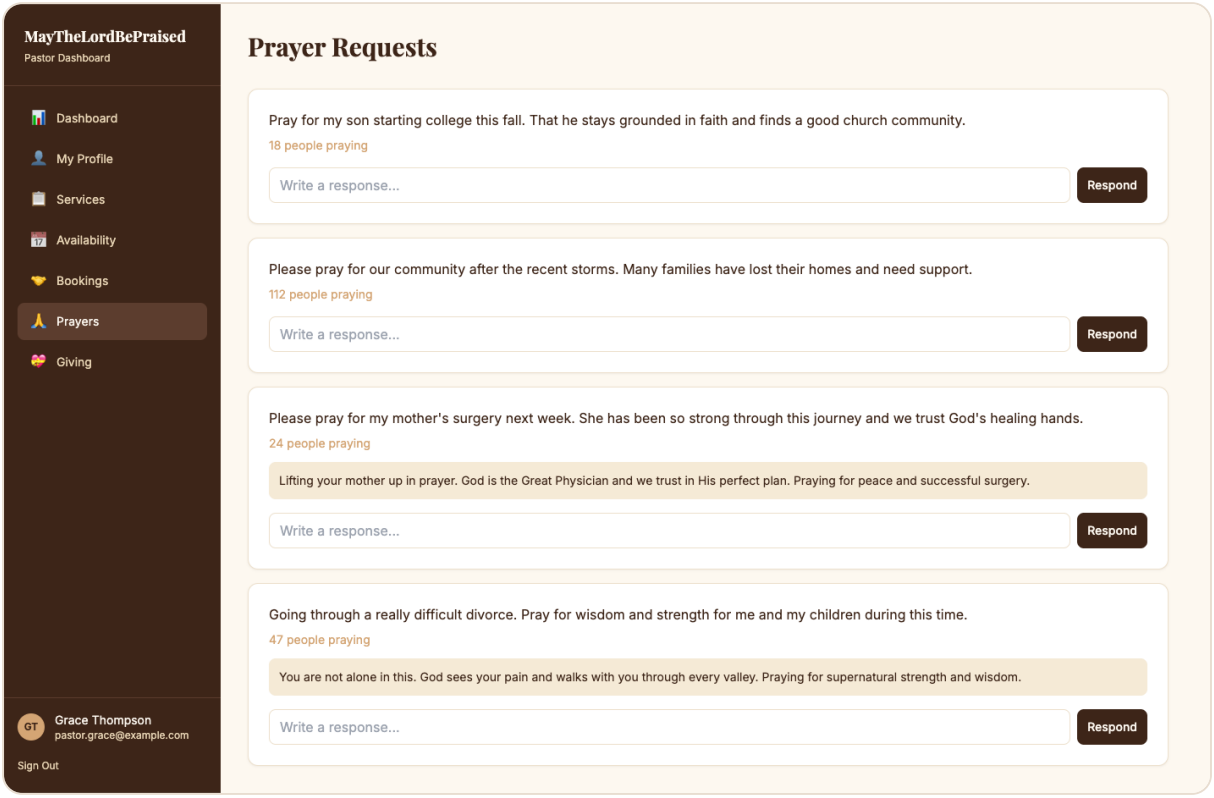
*Set your weekly availability — toggle days on/off and define working hours.*



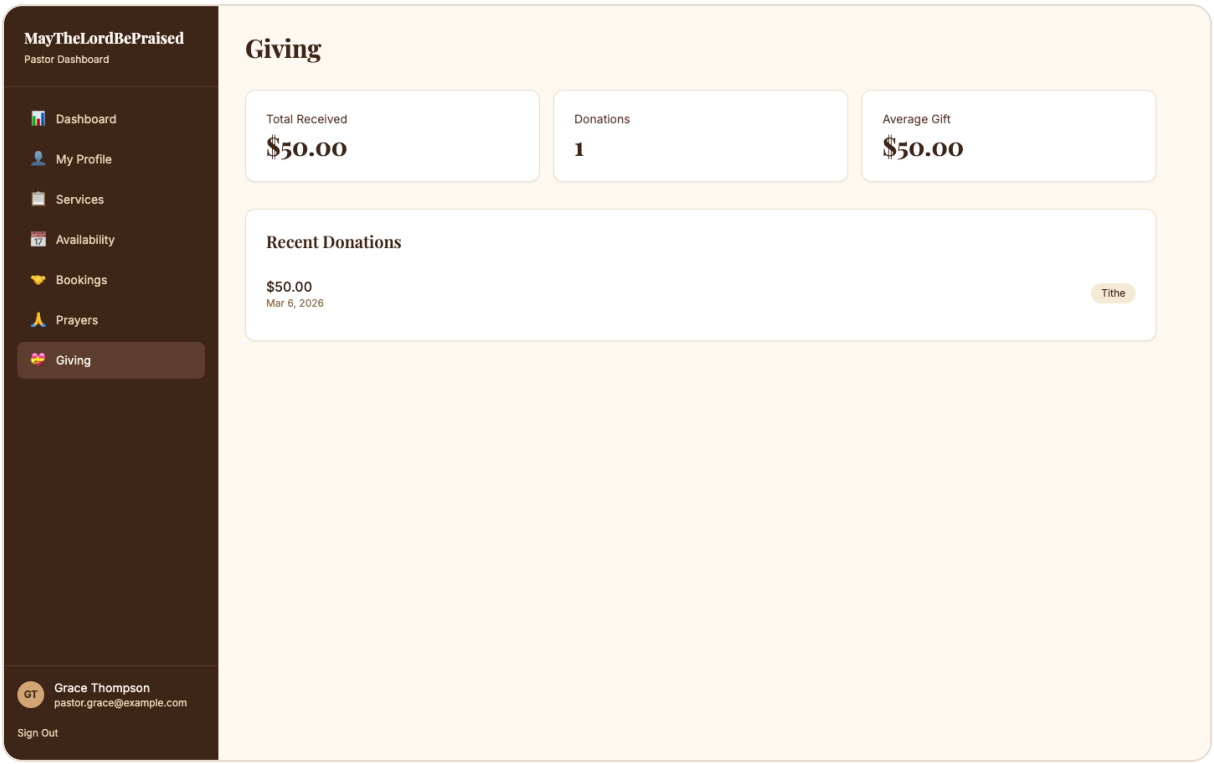
*View and manage bookings — confirm, decline, or reschedule sessions with one click.*

# Prayers & Giving

Shepherd your flock and track the generosity of your community.



*View prayer requests from your community and respond with pastoral encouragement.*



*Track donations received — total giving, number of donations, and recent history.*
